Overview

Description and Specifications:

The Illinois Tollway is giving notice of intent to renew contract 13-0082 System Integrator Services with Jacobs Engineering Group Inc.

This renewal will continue to provide project management, coordination and related implementation services (“Support Services”) on a project to replace the Tollway’s Customer Service Center and Violation Processing System (CSC/VPS) electronic tolling system. This System enables the Tollway to provide customer service, manage customer accounts, exchange data for interoperability with other tolling agencies, and pursue violations when tolls are not paid.

The contract was originally awarded under reference # 22031403. The current contract will expire on 05/31/2017 and after execution of this renewal there will be no remaining renewal options.

No change orders for dollar increases will be allowed on this contract.

Although BEP goal is 20%, the awarded vendor's BEP commitment is 34%.
